S-LIFE PROFESSIONALS HERE ARE SOME SAFETY TIPS ON DATING:

S-LIFE DATING MISSION

Our mission when it comes to our subscribers who decides to date is to keep all parties safe and respectable. Here are a few tips to use when going on your first date.

USE YOUR ON TRANSPORTATION

Never ride in your date mode of transportation together. S-life encourage you to use a ride sharing app to get to your public meeting place.

ALWAYS TRUST YOUR INSTINCTS

Never stay with your date when you feel something is not right or feel uncomfortable. Just leave or ask a bartender or manager for help.

ALWAYS MEET IN PUBLIC PLACES

Never meet your date at their home or any other private locations. S-life discourages this type of behavior and does not approve it.

HOW TO REPORT AN INCIDENT AND GETTING TO A RESOLUTION WORK

1. File a report on our contact page of company website
2. Report reviewed and assessment done

3. How major is the incident and was the report made in good faith
4. Decision is made and both parties notified
5. Either a warning is given to Dater, or Dater is Banned from App, or Mark Dater as good, or Ban Dater who sent bad faith report to S-life App.
